# Employers. How we can benefit your company.

We provide support, vocational and pre-employment preparation training to adults recovering from mental ill health.

You can help recovery by providing full or part-time employment, work placements, volunteering opportunities or apprenticeships.

Adults with mental ill health face multiple challenges, re-engaging with their community.

Find out how you can help and the benefits to you.

# The Benefits

1

Access to well prepared, supported, matched and motivated people.

4

Raise your company profile through positive PR opportunities.

5

Improve productivity and employees' mentoring skills.

2

Improved diversity, equality and company social responsibility.

3

Receive ongoing and continued advice and support from an AMH Employment Officer for you and your new employee, volunteer or placement.

6

Membership of AMH Foyle 'Mental Health Aware Employers Network'.

7

Receive periodic updates on initiatives, interventions and support, available locally and across NI on issues related to mental health.

10

Receive a positive action guide for employing people with disabilities.

11

Attract motivated people with skills and aptitudes for business success.

12

Opportunity to widen your recruitment pool and meet your specific business needs.

8

Receive support and information on how to access Action Mental Health training programmes to support healthy, resilient workplaces.

9

Opportunity for local employers to contribute to training solutions for Foyle New Horizons, meet our team and view the service first hand at scheduled breakfast meetings.

13

Feel the reward of changing local lives through positive action.
